### Current Situation

Red Flag warnings ended this morning, but firefighters continue to face dry conditions with temperatures in the high 90's. Smoke can be seen due to the burning green islands within the perimeter of the fire. Helicopters will be used to slow or stop the spread on several of the islands that have the potential to challenge control lines. The UAS platform was used to validate some of the green islands for their potential to cause control issues. Last night resources stayed out all night along Highway 1 near Limekiln SP due to an area burning that had the potential to roll out onto the highway.

We would like to welcome FDNY Type 3 team who will brief with us today, and assume command of the Dolan Fire on Tuesday, October 6<sup>th</sup> at 7:00am

Los Padres is one of the four National Forest in California that will remain closed. The decision will be reviewed daily by the Regional Forester, taking fire and weather conditions into account.

**Evacuations:** - The Evacuation WARNINGS have been lifted for Zones: 26, 24, B2- Lucia South, J-Prewitt Ridge Area, K-South Coast Ridge Rd. Zone 27 has been downgraded to WARNING. For current evacuation information view the OES interactive map or call 211.

**Closures:** The Los Padres National Forest extended the forest recreation closure through October 1, 2020. Nacimiento-Ferguson Road is closed to all traffic from Highway 1 to the Fort Hunter Liggett base boundary line. For more information visit <https://roads.dot.ca.gov/>
