RELEASE DATE: October 5, 2020

Today on the Dolan fire a member of the type 3 FDNY IMT team tested positive for Covid-19. Following Monterey County guidelines, the team member has been placed in quarantine and a 2nd more definitive test has been given. FDNY IMT will continue to assume command of the Dolan Fire as scheduled. The transition will take place at 0700 on October 6, 2020. California Incident Management Team 15 will remain in place on the Dolan Fire to support the incoming team while the Monterey County contact tracing is completed to know the extent of the exposure.

California Team 15 and FDNY IMT would like the public to know that this unfortunate circumstance will in no way affect our efforts to manage and contain the Dolan Fire.
